Phonics		
We are sharing QR codes that link to your child's current phonics group, providing access to resources and learning materials that support the phonics being taught in school. These are a great way to help your child practise and reinforce their learning at home. Please note: The QR codes and links will be available until 22 December 2026.		
Miss Fernandez Lewis - Group A	Miss Randell/Miss Bates - Group B	Mrs Baughan - Group C and Ditty Group

Maths	Try this at home…
• Composition of 1-5	Explore pages representing 1 to 5 in texts such as Anno's Counting Book by Mitsumasa Anno. Prompt children to talk about the parts that they see on each page. For example, when exploring 5, we can see 2 children on one page and 3 children on the other page.

English

Children will create their own simple story maps and drawings to represent their version of Mr Wiggle, Mr Waggle.

Wider Curriculum

Our book of the week is: Snow Bears

- Explorers travelled to frozen places like the Arctic and Antarctica to discover new lands.
- When exploring different containers, discuss their properties and how these can be beneficial for carrying produce or why they may be less effective.

Notices

Please remember to take a look at our Amazon Wishlist! We would be incredibly grateful for any contributions you are able to make, as they help us to enhance our learning environment and provide exciting opportunities and resources for the children. Thank you so much for your continued support!

Highlight of the Week

Exploring the Hindu festival of Diwali and getting creative by designing their own beautiful mehndi patterns!

Creating collage poppies, carefully choosing and exploring the colours for each part. We were incredibly proud of the children on Wednesday as they respectfully took part in the school's two-minute silence.
