Phonics		
We are sharing QR codes that link to your child's current phonics group, providing access to resources and learning materials that support the phonics being taught in school. These are a great way to help your child practise and reinforce their learning at home. Please note: The QR codes and links will be available until 22nd December 2026. **Your child will be bringing home a Phonics and Library Book Folder today. Inside, you will find a letter explaining the purpose of the folder and letting you know which phonics group your child is in.**		
Miss Fernandez Lewis - Group A	Miss Randell/Miss Bates - Group B	Mrs Baughan - Group C and Ditty Group
Reviewing set 1 sounds and learning to blend Group A videos	Reviewing set 1 sounds and learning to blend Group B videos	Learning set 1 Special Friends and blending Group C videos Ditty videos

Maths	Try this at home…
• 1 more • 1 less • Composition of 4 and 5	Provide children with buckets with the labels 1 to 5 on the front and a range of natural objects. Encourage children to put the correct number of objects in each bucket. Check together that each bucket has the correct number.

English

We will work together to innovate the story Mr Wiggle, Mr Waggle by changing characters, settings and key events. This supports children's understanding of narrative structure and encourages imaginative language.

Wider Curriculum

Our book of the week is: One Snowy Night

- The Ice Age was a time long ago when the world was much colder and animals like mammoths lived.
- Explore and describe the texture of the different materials they encounter.

Communication with Class Teachers

We would like to remind parents and carers that all email communication intended for your child's class teacher should be sent via the school office. The office team will then ensure that your email is forwarded to the appropriate member of staff.

Please do not email class teachers directly, as they are unable to respond to emails sent to their individual email addresses. Please see the Communication Policy on the school website for further information.

Where possible, we always encourage face-to-face communication, as this is often the quickest and easiest way to discuss and resolve any queries. However, we appreciate that this is not always convenient or possible, and the office will be happy to pass on any messages via email.

Thank you for your understanding and cooperation.

🌟 Highlight of the Week

Our Walk to Pitstone Windmill! The children were absolutely amazing on their very first school trip! We had a fantastic time exploring and making memories together. A huge thank you to our wonderful parent helpers for joining us – we loved having you with us!
